St. George St. Visitation Requirements

- Required PPE to be on site
  - Green patch, CSA-approved footwear
  - Long pants
  - Class E, Type 2 hard hat
  - Safety vest (optional, but recommended)
- If you would like a safety vest, one can be provided for you to keep with you.
- Forwell Construction is the contractor on site. Please let them know when you arrive, so they are aware of your presence and can direct you as needed.
- Steer clear of any equipment until eye contact with the operator of the machines is made. Waving your arms will attract their attention. Failure to do so may mean equipment operators cannot see you
- Be mindful of heights
  - Stay away from the edge of the retaining wall
- Ask staff for permission before taking their photos

Thank you for working with us to keep everyone safe!
