

Team Engagement Days are BACK and we have expanded the ways your team can participate. We are excited to announce a new team opportunity – Team ReStore Days!

Habitat for Humanity ReStores are home and building supply stores that accept and resell quality new and used building materials and home décor items. Every ReStore is different and every day at a ReStore is different depending on the donations received. Habitat for Humanity Waterloo Region operates two ReStores— one in Cambridge and one in Waterloo.

Volunteer your team of up to 5 participants and help us process donations, assist customers and keep the store tidy and clean. There is often product that needs to be assembled or donated kitchens from our salvage program that needs to be rebuilt for display.

We provide:

- A Habitat for Humanity Waterloo Region t-shirt
- A hearty lunch and snacks to fuel your day
- Branded, curated social media toolkits for your use, as well as promotion of your team’s involvement on our social media sites

- A keepsake group photo
- An invitation to our annual Family Dedication event where you get to celebrate with families who have moved into their new homes

For \$1000, you and your team get the benefits of:

- A unique team-building experience
- The opportunity to enhance your company’s brand
- Enjoying a fun, interactive way to give back to the community
- Cultivating an energetic and unified workforce

This sponsorship program provides organizations, service clubs and even groups of friends with a unique way to give back to the community and learn a new skill. The combination of volunteer hours and financial contributions doubles your impact!

An investment in our engagement program is an investment in your people, your community and your corporate brand!

To book your Team ReStore Day, contact volunteer@habitatwr.ca
